

<p>Rims/Hubs (Flash Card components training)</p> <p>No cracks, welds or bends Hub oil leaks (at each wheel) Hub & lug nuts, all there & tight</p> <p>JBritten Sept 08</p>	<p>Brakes (Flash Card components training)</p> <p>Brake hose Brake chamber Slack adjuster Brake drum Brake linings Clevis and Cotter Pin</p>
<p>Outside (Flash Card components training)</p> <p>Damage, leaning, reflectors, windows, signs, light lenses, license plate, sharp objects, door & emergency exit door movement & door props Fuel Cap(s) Tight</p>	<p>Dashboard (Flash Card components training)</p> <p>Oil, Amps and Volt gauges Air pressure gauges Engine temperature & fuel gauge Warning lights (low air/ABS) & other ideograms</p>

<p>Suspension (Flash Card components training)</p> <p>Axels Springs/air suspension (bladder/bellows) Shackles Spring bracket or hangers U-bolts, nuts, bolts and bushings Shock absorbers & hangers (No leaks, cracks, missing parts)</p>	<p>Engine (Flash Card components training)</p> <p>Oil, coolant, power steering fluid, transmission fluid, windshield washer fluid, water pump, hoses, fuel lines, leaks Alternator Air compressor, air filter Wiring & belts All clamps and brackets</p>
<p>Steering (Flash Card components training)</p> <p>Steering wheel play Steering Box & hoses (LEAKS) Pitman Arm Drag Link Steering Arm Tie Rod</p>	<p>Lights (Flash Card components training)</p> <p>Dome lights, step well lights, in and out, Loading lights in and out, (yellow & red) Head lights (high & low), Clearance lights, hazard and turn lights, flash light, Lift door latch ajar warning light Dash board lights</p>

<p>Undercarriage (Flash Card components training)</p> <p>Frame (no cracks or heavy rust) Hanging or loose objects Exhaust system (brackets, claps and leaks) Drive shaft (not bent, carrier bearings, U-joints, shaft safety guard(s) secure) Cross check, springs/suspension/brakes Note transmission and differential leaks Brake lines</p>	<p>Inside (Flash Card components training)</p> <p>Test horn, wiper/washers, defroster, heaters, drop down chains Check throttle/brake/clutch peddles Check manual gear shifter & door Check driver seat and belt Check mirrors, two way radio, P.A. system, documents (reg. & Ins.) No sharp or out of place objects Stairs and seats secure</p>
<p>Safety Equipment (Flash Card components training)</p> <p>Fire extinguisher, triangle reflectors, first aid and body fluid kits Emergency hatches and windows, ease of operation All exit warning buzzers Belt cutter Hand rails Tire thumper</p>	<p>Tire Condition (Flash Card components training)</p> <p>Even wear, no cracks or bulges No less than 4/32" front & No less than 2/32 rear, no re-caps on front, All tires - same type rating. Valve stems & caps & mud flaps Nothing between duels tires & not touching each other No recaps on front wheels</p>

Cut on lines and use as flash cards

For training purposes only
